BOARD OF DIRECTORS
AGENDA ITEM**

May 16, 2016

Subject: Conduct Public Hearing	Director's Backup
Petitioner: John J. Entsminger, General Manager	
Recommendations: That the Board of Trustees conduct a Public Hearing on the Tentative Budget for the Coyote Springs Water Resources District and subsequently adopt a Final Budget for fiscal year 2016-17.	

Fiscal Impact:

The approval of a Final Budget will establish revenue and expenditure levels for the Coyote Springs Water Resources District (CSWRD) for fiscal year 2016-17.

Background:

Pursuant to NRS 354.596, the CSWRD filed a Tentative Budget with the State Department of Taxation on or before April 15, 2016. The Tentative Budget has been reviewed by the Department of Taxation for compliance with state statutes, regulations, and guidelines. A delineation of budget components was provided to the Board of Trustees in General Manager's Information Report Number 10, a copy of which is attached. The Board conducted a public workshop on the Tentative Budget on April 25, 2016.

NRS 354.596 requires that the CSWRD conduct a Public Hearing on the Tentative Budget, and the hearing may be consolidated with all local government budgets administered by the Board of County Commissioners on the third Monday in May (May 16, 2016). Notice of this hearing has been published in the *Las Vegas Review-Journal* and the *Las Vegas Sun* in accordance with the law.

Subsequent to conducting the Public Hearing, NRS 354.598 requires the Board to adopt a Final Budget for the CSWRD no later than June 1, 2016, and transmit it to the Nevada Department of Taxation.

The Board is being asked to conduct a Public Hearing on the CSWRD's Tentative Budget and, after the Public Hearing is closed, adopt a Final Budget for fiscal year 2016-17.

This action is authorized pursuant to NRS 354.596, NRS 354.598, and NRS 318.080(2). The office of the General Counsel has reviewed and approved this agenda item.

Respectfully submitted:

COYOTE SPRINGS WATER RESOURCES GENERAL IMPROVEMENT DISTRICT GENERAL MANAGER'S INFORMATION REPORT

DATE: April 19, 2016

NO. 10

SUBJECT: COYOTE SPRINGS WATER RESOURCES GENERAL IMPROVEMENT DISTRICT
PROPOSED OPERATING AND CAPITAL BUDGET FOR FISCAL YEAR 2016-17

The Tentative Operating and Capital Budget of the Coyote Springs Water Resources General Improvement District (CSWRD) for fiscal year 2016-17 was submitted by April 15, 2016, to the State of Nevada Department of Taxation in accordance with NRS 354.596. Attached for your review is the General Manager's Information Report.

Executive Summary

The CSWRD is the local government entity that will provide municipal water and wastewater services for the master-planned community of Coyote Springs being built about 60 miles northeast of Las Vegas. The Las Vegas Valley Water District (LVVWD) is General Manager and Operating Agent of the CSWRD and has entered into an agreement with the Clark County Water Reclamation District (CCWRD) for operation of wastewater facilities.

The Coyote Springs Land Development Corporation and Coyote Springs Investment, LLC, are collectively the developers (Developers) and they finance the design and construction of the water and wastewater treatment, distribution and collection facilities. Neither the LVVWD nor the CCWRD are committing any capital funds to build infrastructure for the CSWRD. However, the LVVWD will operate the water facilities and the CCWRD will operate the wastewater

facilities when they are constructed.

As operator, the LVVWD will bill CSWRD customers for both water and wastewater services. The water and wastewater fees will be used to support water and wastewater operations.

The Developers are obligated to fund any CSWRD costs in excess of revenues. As a result, there is no risk that the LVVWD or the CCWRD customers will be required to subsidize CSWRD operations. All water required by the CSWRD will be provided from water rights owned by the Developers.

Financial Summary

Operating Revenues.

There are no sales of residential or commercial properties expected for the Coyote Springs area during the fiscal year 2016-17. As a result, the fiscal year 2016-17 Budget Plan projects no operating revenues.

Developer Contribution.

By contractual agreement, the Developers are required to reimburse the LVVWD and the CCWRD for net costs related to Coyote Springs. Based on recent actual experience, those costs are projected to be \$11,783 for both the water and wastewater systems.

¹ Per contractual agreement, the developer(s) will reimburse any costs not covered by operating revenues

² Based on recent costs billed to the developer(s)

Capital Infrastructure Fund.
